

LPF Site 1 - Ulen

Howdy! The site is located on the south-western corner of 230th and 160th Ave N, right below the Ulen State Wildlife Area (the full green square section on this map), 3 miles due west of Ulen. Take Hwy 10 east from downtown Moorhead; turn immediately north on Hwy 75, the turn is before you leave Moorhead city limits; turn east on 160th at Georgetown, drive straight east, past Felton. You will come out of the basin. Then start looking for street signs. If you get to Ulen, you went too far. Turn around and drive back west 3 miles.
